

## GIANLUCA GAIDANO: CURRICULUM VITAE

### Place and date of birth

---

Torino (Italy), 8/22/1962

### Academic degrees

---

**1987:** M.D. (University of Torino, Italy)

**1992:** Ph.D. in Human Oncology (University of Torino, Italy)

**1994:** Specialist in Internal Medicine (University of Torino, Italy)

**1998:** Specialist in Hematology (University of Torino, Italy)

### Current position

---

- Professor of Hematology, Department of Translational Medicine & Interdisciplinary Research Center on Autoimmune Diseases (IRCAD), Amedeo Avogadro University of Eastern Piedmont, Novara, Italy
- Director, Division of Hematology, Department of Oncology, Amedeo Avogadro University of Eastern Piedmont and Ospedale Maggiore della Carita', Novara, Italy

### Past positions

---

**1999-2004:** Associate Professor of Internal Medicine, Amedeo Avogadro University of Eastern Piedmont, Novara, Italy

**1996-1999:** Assistant Professor of Internal Medicine, Amedeo Avogadro University of Eastern Piedmont, Novara, Italy

**1994-1996:** Clinical Assistant Professor, Division of Internal Medicine, Department of Biomedical Sciences and Human Oncology, University of Torino, Orbassano-Torino, Italy

**1993-1994:** Research Associate, Division of Oncology, Department of Pathology, College of Physicians & Surgeons, Columbia University, New York, NY

**1990-1993:** Post-Doctoral Research Scientist, Division of Oncology, Department of Pathology, College of Physicians & Surgeons, Columbia University, New York, NY

**1987-1990:** Resident in Internal Medicine, Department of Biomedical Sciences and Human Oncology, University of Torino, Italy

### High School Instruction

---

**1981:** High School Diploma, Program in the Humanities (60/60), Liceo Classico di Stato "M. d'Azeglio", Torino, Italy

### Medical Instruction

---

**1987:** Degree in Medicine and Surgery, University of Torino (110/110 cum laude). Final dissertation "Differences in the activation mechanisms of normal and leukemic B lymphocytes"

### Post-graduate instruction

---

**1988-1991:** Ph.D. in Human Oncology, University of Torino. Ph.D. Thesis: "Role of tumor suppressor loci in the molecular pathogenesis of human lymphoid malignancies"

**1992-1994:** Residency in Internal Medicine, University of Torino (70/70 cum laude). Final dissertation "Molecular pathogenesis of AIDS-related B cell non-Hodgkin lymphoma".

**1994-1998:** Residency in Hematology, University of Torino (70/70 cum laude). Final dissertation "Molecular characterization of primary effusion lymphoma".

## Research activity

---

**1982-1986:** Internship in Medical Biochemistry (Prof. A. Bosia), University of Torino. Research topics: Platelet redox metabolism; signal transduction mechanisms in normal and leukemic B lymphocytes.

**1986-1990:** Internship in Internal Medicine, Division of Internal Medicine 2, Department of Biomedical Sciences and Human Oncology (Prof. F. Gavosto), University of Torino. Research topics: Molecular and cellular mechanisms in the pathogenesis of lymphoid neoplasia

**1990-1994:** Post-doctoral Research Scientist and Research Associate, Division of Oncology, Department of Pathology, College of Physicians & Surgeons, Columbia University, New York, USA (supervisor: Prof. R. Dalla-Favera). Research topics: Molecular pathogenesis of lymphoid neoplasia

**1994-1996:** Coordinator, Section of Molecular Lymphomagenesis, Laboratory of Molecular Medicine and Oncology, San Luigi Gonzaga Hospital, University of Torino

**1996-Today:** Principal Investigator, Laboratory of Hematology, Department of Medical Sciences & IRCAD, Amedeo Avogadro University of Eastern Piedmont, Novara, Italy

## Publications

---

- Full papers: 414
- Cumulative Impact factor: 2471,05
- H index: 54

## Clinical Activity

---

**1987-1990:** Internship in Internal Medicine, University of Torino

**1994-1996:** Clinical Assistant Professor, Division of Internal Medicine 5A (Dir. Prof. U. Mazza), San Luigi Gonzaga Hospital, University of Torino

Staff Physician, Emergency Department, San Luigi Gonzaga Hospital

**1996-1999:** Assistant Professor, Division of Internal Medicine, University of Torino at Novara

**2000-2005:** Director, Hematology Unit, Amedeo Avogadro University of Eastern Piedmont and Ospedale Maggiore della Carita', Novara, Italy

**2005-:** Director, Division of Hematology, Amedeo Avogadro University of Eastern Piedmont and Ospedale Maggiore della Carita', Novara, Italy

## Participation in GCP Clinical Trials

---

**2005-:** Principal Investigator in 42 clinical trials according to GCP standards run at the Division of Hematology of the Amedeo Avogadro University of Eastern Piedmont. Trials involved hematologic disorders, including chronic lymphocytic leukemia, non-Hodgkin lymphoma, Hodgkin lymphoma, multiple myeloma, acute myeloid leukemia, myelodysplastic syndromes, vaccination of hemonc patients, and immune thrombocytopenic purpura.

## Memberships

---

**1994-:** Member of the scientific board of GICAT (Italian Cooperative Group for AIDS and Tumors)

- 1994-:** Italian Society of Experimental Haematology (SIES)
- 1995-:** New York Academy of Sciences (NYAS)
- 1996-:** American Society of Hematology (ASH)
- 1996-:** American Association for the Advancement of Science (AAAS)
- 1997-:** Italian Society of Internal Medicine (SIMI)
- 1998-:** International Association for Comparative Research on Leukemia and Related Disorders
- 1998-:** Italian Society of Hematology (SIE)
- 1999-:** European Haematology Association (EHA)
- 2000-:** American Society of Clinical Oncology (ASCO)
- 2000-:** American Association for Cancer Research (AACR)
- 2002-:** The Henry Kunkel Society

## Editorial activity

---

**1991-:** Reviewer for

- *Blood*
- *Leukemia*
- *Cancer Research*
- *Clinical Cancer Research*
- *The Lancet*
- *Leukemia Research*
- *Cancer Science*
- *Arthritis and Rheumatism*
- *Genes, Chromosomes & Cancer*
- *British Journal of Haematology*
- *European Journal of Haematology*
- *International Journal of Cancer*
- *American Journal of Pathology*
- *Acta Haematologica*
- *Haematologica*
- *Haematologica/The Hematology Journal*
- *Forum*
- *Cancer Epidemiology, Biomarkers & Prevention*
- *Journal of General Virology*

**1998-1999:** "Ad Hoc Section Editor" for

- *Leukemia*

**1999-2000:** Section Editor (section: Lymphoma) for

- *Leukemia*

**2002-2004:** Member of the Editorial Board of

- *Haematologica*

## Foreign Languages

---

- English
- French
